**SUGAR PLANTERS TO HELP BUREAU FOR FILIPINOS**

**Association Pledges Support and Monthly Allowance of \$25 for Organization**

The labor committee of the Hawaii Sugar Planters' Association, at a meeting yesterday morning, voted to support an information and employment bureau for Filipinos, to be conducted by V. A. Lionson under the auspices of the local Young Men's Christian Association. To this end, an appropriation of \$25 a month was sanctioned by the members.

This action came in response to a communication from the employment committee of the Y. M. C. A. requesting that the labor committee of the H. S. P. A. take some step toward the furtherance of the welfare of the unemployed Filipinos of Honolulu, with a view to relieving the present labor situation. The work of Lionson will be carried out in harmony with the wishes of Royal D. Mead, director of the Hawaiian Sugar Planters' Association's bureau of labor and statistics.

A head with an ache has room for little else. A man can't do business, a woman can't attend to her work when the head is splitting with pain. "Shac" is a certain and speedy cure for headaches of all sorts. It pleases all who use it. Insist on "Shac"—advertisement.

A stern old preacher had issued to his people a command against dancing, believing it to be a device of the devil. A few of the young people disobeyed and attended a dance given at a neighboring town. Finally it reached the ears of the preacher, and, meeting one of the culprits on the street one morning, said in stern voice: "Good morning, child of the devil!" "Good morning, father!" smilingly answered the pretty miss.—National Monthly.
